# Professional Standards & Liability Assurance

**Authored by:** Arthur Flores, Master Fencing Contractor

**The "Peace of Mind" Promise** When you contract with Cactusfence, you aren't just hiring a builder; you are hiring a fully licensed, bonded, and insured professional entity.

## **Safety Protocols:**

- **Utility Awareness:** We utilize the 811 "Call Before You Dig" service for every project to ensure zero risk to underground infrastructure.
- **Site Stewardship:** Our crews are trained to manage high-traffic residential and commercial zones with minimal disruption, ensuring clear signage, safety barriers, and daily site cleanup.
- **Comprehensive Insurance:** We carry full General Liability and Workers' Compensation insurance, protecting you from any potential liability while work is performed on your property.

**Our commitment is to your property and your people.**

- **Verify Our Credentials:** (713) 907-5975
